P. CHIKKANNA SETTY,
For *Deputy Commissioner.*

GOVERNMENT OF MYSORE, ELECTRICAL DEPARTMENT.

Dated 30th April 1923.

Notice is hereby given that sealed tenders will be received at the Office of the Chief Electrical Engineer to the Government, up to 12 noon on Monday the 18th June 1923, for constructing outhouses for No. 1 and 2 Blocks of Operators' Quarters and converting existing outhouses [illegible] coolly quarters at Kolar Gold Fields. An approximate estimate of quantities is given below. These qu[illegible] not guaranteed. The work should be completed by the end of September 1923.

2. The plans, detailed estimate and condition[illegible] Engineer's Office at Bangalore, between the hours of 11 A.M. to [illegible] the Chief Electrical

3. Tenders should be submitted on printed forms, which may be obtained from the Chief Electrical Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items of work specified, will be executed.

4. Each tender must be accompanied by a deposit of Rs. 200 in cash or Government Promissory Notes, as earnest money, and be superscribed "Tenders for constructing outhouses for No. 1 and 2 Blocks of Operators' Quarters and converting existing outhouses into six cooly quarters at Kolar Gold Fields," in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Chief Electrical Engineer to the Government of Mysore, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Chief Electrical Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

Abstract of detailed quantities for constructing outhouses for No. 1 and 2 Blocks of Operators' Quarters and converting existing outhouses into six cooly quarters at Kolar Gold Fields.
